

# Hi Dance Families!

Thank you to everyone who has registered their children for our upcoming season of dance! We are so excited to have some returning dancers and welcome some new ones!!

Our community is bustling with activities for children and TCDC appreciates that there are lots of options and you want your children to participate in as much as possible that they enjoy. We have created our current schedule to accommodate what we can, so we hope this helps you to participate in this programming and the other interests you have for your children.
